

(Continued from page 1)

that's what autocrossing is all about. **Keith Greer** in his Austin Mini Cooper put on a show for us hopping over a patch of grass at the off-set gates causing him to momentarily lose control! At the end of the course he even took a bow after being applauded for his spectacular show.

**Stephen Oliberos, 51.211 Sec.**

Taking fastest time of the day was **Paul Schwartz** in B-modified with a time of 51.211 and **Stephen Oliberos** came in second overall with a time of 53.639 in his E-Prepared Datsun 510. With 10 competitors in CSP,

**The Author, J. Lee  
In The Pits, & In  
Action In CS**

**Grant Stayberg** captured first in his Mazda Rx7 and **Eugene Van Orman** came in second in his VW Jetta.

This month my mom, **Amy Lee**, decided to return to CS with me in my 240Z after racing my dad's car, **Curtis Lee's** BSP Datsun 240Z, in prepa-

ration for the 1998 Solo II National's last September. I was more than happy to have her back in my class because I wanted some competition. And who better to compete with than my own mom! Well, I tried my best but still couldn't beat her. She edged me out of first place by 4 tenths of a second. That's pretty good for me! Don't worry, I'll get her next month, I hope! Thanks for the great competition, mom!

**Peter Kay, Supra Turbo**

So, if you think you need more competition, get some of your friends out to the track. The club's fund-raiser is still up and going and working towards bettering *your* club. I hope everyone had a fun time in November and I'll see you at the races!
