

Step 1 -- Register/Check in @ **GATE**

- Complete walk-up registration if not pre-registered (**open from 7am to 8am, no exceptions**).
- Sign driver waiver form.
- Apply wristband to left arm.

Step 2 -- Prepare your vehicle for Tech Inspection in **PADDOCK**

- Park anywhere in the paddock **EXCEPT** for the first row nearest the track. This row is reserved for **CHIEFS & CREW**
- Remove all loose items from the car and store them in your parking spot.
- Make sure everything that can be picked up by the wind is weighed down.
- Apply class and number magnets to **BOTH** sides of your car.
- If you do not have magnets, paper and letter/number templates are available at the Tech Inspection Station.
- Please refer to the MotorsportReg attendee list if you don't know your class/car number

Step 3 -- Tech Inspection @ **TECH** Inspection Station

- If you have your own helmet, keep it in your vehicle for inspection.
 - Your helmet must meet current Snell (or equivalent) standards
 - Please refer to the helmet certification standards sheet found at central **(CC)**
- Drive your car to the Tech Inspection Tent (there is usually a line for this).
- You must be present while the Tech Inspector checks your vehicle.

Step 4 -- Move your vehicle to the correct location

- If you are running in the morning, now is a good time to check/adjust your tire **AIR** pressures.
- If you are running in Heat 1, park in **GRID A**
- If you are running in Heat 2, park in **GRID B**
- If you are running Heat 3 or Heat 4, return to the **PADDOCK**
 - Heat 3 grids in **A**, and Heat 4 grids in **B** in the **AFTERNOON**

Step 5 -- Walk the **COURSE**

- An announcement will be made when the course is open for walking
- Rookie walk begins at **8:15am** (if Rookie class runs in heat 2)
- Rookie walk is held during **lunch** if Rookie class runs in the **afternoon**
- Driver's meeting starts at **8:45am**, keep track of the time while you are walking the course
