

SOLO I SCHEDULE CHANGE

We have had to make an unfortunately late change of schedule for our next SOLO I (from 28 July to 30 June). This is due to a prior commitment by the Commanding Officer of Barbers Point NAS. We were, however, able to get another workday scheduled for 8 June, the Saturday before our next SOLO II so bring your garden tools get in some early practice.

BEST NOVICE

Congratulations to **GARRET LEW** in C Street Prepared. He finished closest to first in class and had the fastest time of last month's novices. We would also like to welcome **Bill Meredith**, **Daniel Sahara** and **Allen Kam** to SCCA Solo II Racing.

BASE ACCESS

The Guestlist used by the Naval Air Station to allow access to the track will be a duplicate of our mailing list. As long as you have been receiving your HUILA with a printed label you will be on the Guestlist. If you are not on our mailing list, but would like to be, contact **ED KEMPER** at 524-0300 or leave a message with his secretary. If you know someone who would like to attend one of our events that is not on our mailing list contact **ROGER AU** at 988-5564 at least one week prior to the event so that he can get their name added to the guest list. Remember to have a picture ID, valid current driver's license, valid no fault insurance certificate, current vehicle registration and the current safety check documentation.

MUCHO MAHALO

Many thanks to **BILL LINDSAY** for his time and effort in making the new START, FINISH and TECH signs. Good work Bill, the signs are much appreciated.
