

Hawaii Oahu Solo Supplemental COVID-19 Safety Guidelines

February 1, 2021

“In light of the current COVID-19 situation, every attempt will be made to minimize the risks of exposure to the virus. New processes and procedures are being developed and will be put into place for events going forward.

“Ultimately, it is your responsibility to assess the risk to you, both on-track and off, and to make the decision on whether or not to participate. If you are feeling unwell or are experiencing symptoms such as fever, cough, or shortness of breath please stay home. If you have been in contact with someone who has been experiencing these symptoms in the last two weeks, please stay home.

“While on site please take the health and safety of your fellow participants, volunteers and staff into consideration and practice social distancing, wear a mask, and wash your hands and/or use hand sanitizer frequently.”

— SCCA National Office

This is the preface to SCCA’s National Guidelines, which you should review. The Hawaii Oahu Solo Chiefs have been working to keep our members as safe as possible and to allow us to host events in compliance with City, County and State standards. We need your help to be successful. Please keep in mind:

- **Some of our members are in high-risk categories.** Others may have at-risk family members at home. Do your best to keep them safe.
- **Respect your fellow members.** Your opinions about current guidelines are not shared by everyone. Show respect for your friends by your behavior.
- **The virus is not the only threat to our events.** Government officials and news organizations have the power to end our season. In addition, our venues can also shut down our events if they observe that we are not behaving appropriately. So, behave as if your day of racing, and everyone else’s, depends on it – because it does. Noncompliance with these safety guidelines may result in your removal from the event.

Additional Hawaii Oahu Solo Safety Guidelines for 2021

The following guidelines are our best attempt to secure your safety given what is known at this time. They are by no means comprehensive, and we cannot predict every circumstance; Therefore, we are counting on you to exercise your best judgment throughout the event.

If necessary, remind each other gently and respectfully to observe these guidelines. Anyone who continually or willfully violates these guidelines may be asked to leave by the event chairman. Thank you in advance for your cooperation, and we look forward to seeing all our friends back in action!

If you are sick or symptomatic, stay home. If you become sick before the event, you will not be charged if you do not attend.

Participants are required to bring their own personal protective equipment (PPE), including masks, gloves, hand sanitizer and disinfectant. There will be a limited supply of PPE on hand for essential worker needs only.

Events are closed to spectators. This includes family members. Only pre-registered drivers and authorized essential workers will be allowed entry to the event. No walk-up registration.

Observe all social distancing, mask-wearing, sanitizing and handwashing guidelines. Portable restrooms will be available and will have limited hand sanitizer available. Please bring your own sanitizer & wear your mask. In addition:

- **IR Temperature** will be taken at the entry gate prior to entry. Anyone exceeding 100.4°F will be denied entry.
- **The drivers meeting** will be conducted via FM radio at 89.9, and via our public address system. Do not gather at the tent.
- **The timing and scoring tent** will be limited to essential workers only.
- **Course walkers & workers** must maintain proper social distance. Groups are limited to 5 people.
- **Course setup workers** must wear gloves when handling cones and equipment.
- **Physical contact is discouraged.** Please refrain from shaking hands, high-fives and hugs, except with immediate family.

- **Unnecessary handling of waivers, wristbands and course working equipment should be avoided.** Waivers will be signed electronically. Wristbands will already be separated, and course working equipment will be sanitized between each heat.
- **Grid spots** shall be staggered to maintain social distance. Drivers in active grid should remain in their vehicles as much as possible unless performing vehicle checks between runs.
- **Paddock spots** shall have an extra stall between cars. Stick to your paddock as much as possible when no working or driving.
- **Rookie Walks & In-Car Instructors** are temporarily suspended to adhere to social distancing requirements.
- **Co-Drivers** are only allowed with members of your direct household and those consenting and registered as official co-drivers. Co-Drivers not from the same household shall practice all social distancing guidelines and maintain enhanced sanitation of shared equipment.
- **Fun Runs** are not guaranteed and is dependent on the day's schedule, as well as the Event Chairperson's discretion. 1 passenger permitted from same household at the discretion of the Event Chair.

Drivers will tech their own cars under the supervision of tech staff.

The loaner helmet program is suspended until further notice. BYOH.

Sanitize all equipment and work surfaces throughout the day. After your work assignment, use the materials provided to wipe down all radios, headsets, flags, keyboards, pens, work surfaces, etc. Bag radios and other equipment in Ziploc bags as appropriate.
